### C) ANSWER THE QUESTIONS

1. Why does the Time Traveller believe the society split in half, with the Eloi above and the Morlocks below?
- Because he saw that the human beings had split into two different groups in the future world: the little people of the Upperworld and the white people of the Underworld.
2. How did the Time Traveller defeat the Morlocks?
- By a lever and some matches.
3. Why did humans lose their ambition and intelligence?
- Because they forgot physical power, work, and danger.

4. What did he see in the second future world after he left the year 802,701?  
He saw dark sky, red rocks and red trees, waterless ocean filled with salt, huge butterflies and crabs and no human.
5. How does the Time Traveller remember Weena after he returns?  
He found the flowers she put into his pockets.
6. What was the weather like in the year 802,701?  
It was hotter than today.
7. How does he meet Weena?  
When Weena fell into the river, he jumped into the water and rescued her.
8. How did the museum look?  
It was old, dusty and destroyed.
9. What did the Morlocks look like?  
They were wild white creatures with big eyes.
10. What did the Time Traveller see before he returned home?  
He saw that the sun was moving very slow, the earth stopped turning around its axis and turn around the sun like the moon turns around the earth.
11. What weapons did the Time Traveller use?  
He used a lever and matches.
12. What did the guests think of his story?  
The doctor and the editor did not believe his story but the narrator believed him.
13. Why did the Time Traveller feel unprepared?  
Because he had no weapons to protect himself.
14. Why didn't the Elois enjoy teaching him their language?  
Because they didn't like working and couldn't concentrate on anything for long.
15. How did Weena usually act?  
She acted like a cheerful child.
16. What did the Time Traveller write his name on?  
He wrote my name on the nose of a big South American idol.
17. What was he hoping to find in the Palace of Green Porcelain?  
He hoped to find his Time Machine there.
18. Were the Morlocks human? Explain your answer.  
Yes, they were human who became wild and sensitive to sunlight in time. They spoke a strange language and use machines to produce clothes for the Elois.
19. Where does the narrator think the Time Traveller went for his next adventure?  
He thinks he might go into the past or the future.
20. What do you think happened to the Time Traveller?  
I think he was lost in time
